We seek refuge under your protection, O Holy Mother of God.

Do not despise our pleas – we who are put to the test – and deliver us from every danger, O glorious and blessed Virgin.

- Pope Francis, March 2020

POPE FRANCIS' PRAYER TO OUR LADY, HEALTH OF THE SICK

O Mary, you shine continuously on our journey as a sign of salvation and hope.

We entrust ourselves to you, Health of the Sick.

At the foot of the Cross you participated in Jesus' pain, with steadfast faith.

You, Salvation of the Roman People, know what we need.

We are certain that you will provide, so that, as you did at Cana of Galilee, joy and feasting might return after this moment of trial.

Help us, Mother of Divine Love, to conform ourselves to the Father's will and to do what Jesus tells us:

He who took our sufferings upon Himself, and bore our sorrows to bring us, through the Cross, to the joy of the Resurrection. Amen.

HALTON ALIVE

Bringing hope to our community...

It's at times like these that we realize the value of human life. Covid-19 has reminded our culture about the importance of protecting the vulnerable in our society. That is the message at Halton Alive year-round. From the unborn child growing in the womb at the beginning of life to the elderly person pushing through their final years and days, we care about each person and circumstance.

YOU can be part of spreading hope in our community. Sign up for an **Act of Hope** and we'll connect you to a resident who needs encouragement and hope in a long-term care facility. We have options for letter writing, phone calls, sidewalk chalking, mask making and other needs as they arise.

Date: Ongoing

Registration: www.haltonalive.ca/inspirehope or call/text Tawnya at 905.632.3232

Details: specific times, locations, instructions and idea suggestions for each act of hope will be provided after you sign-up.

Since we are unable to have Children's Liturgy at this time there will be a **Virtual Children's Liturgy Classroom** available. There are many "click-able" items in the classroom that open up to the current gospel message and also other resources.

PARENTING TIP OF THE MONTH: The present pandemic has brought changes that have been stressful for families, but it has also allowed for some positive developments. The pandemic has allowed most people and families more time to relax. Have you taken advantage of the extra time to build family ties? Playing board games or cards, going for walks or hikes, or joining, as a family, to engage with music or art - these are all great ways to relax together! Additional relaxing time also gives us more time to engage as a family in prayer - as we eat together, engage in nighttime bedtime rituals together, or as we take time to offer prayers for our family and those in need. Experiencing these positive times together will help to counteract the stress everyone feels thinking about the safety of those they love.

HAPPY 
THANKSGIVING!
