DIOCESE OF HAMILTON

# Synod 2021-2023

The 2023 Synod is an opportunity for all peoples of the world to share their experience of hearing and being heard. As people living in the Diocese of Hamilton, we are being asked to participate in this new experience and share our thoughts and experience of how the Church is called to hear the voice of the Holy Spirit speaking to us today. When the voice of the Holy Spirit, the voice of the Bishops and the voice of the people of God all speak in harmony, we can be sure we are hearing the Voice of God speaking to us today. By this survey, you have the opportunity to let your voice and your experience be heard.

You can answer the survey by completing the questions on this form and returning them to your parish by **March 28, 2022** or by going online to <https://hamiltondiocese.com/synod> and complete the survey electronically. If you complete the survey by hard copy, please feel free to use additional sheets of paper if required. **Thank you for letting your voice be heard!**
