

# Chalice Child Sponsorship

Chalice is Canada's largest Catholic child sponsorship organization.

Sponsoring with Chalice enables parishioners to help families struggling with poverty through an organization which is faithful to the Church and obedient to her bishops. Sponsorship calls parishioners to greater holiness and participation in the mission of the Church. Founded in 1992 by Fr. Pat Cosgrove in Nova Scotia, we are now supporting almost 50,000 children and elders in 13 developing countries.

We partner with groups of lay people, religious missionaries, and local communities to run our sites. Our sponsor sites work with communities that lack the essentials, including food, medicine, and clean water. When families live in these circumstances, educating their children becomes a luxury they cannot afford. Sadly, many children drop out to join the workforce and help support their families. This continues the 'cycle of poverty.'

Your sponsorship of \$42 per month changes all that.

When you become a sponsor, you connect directly with a child and show them that their future matters. And the key to a bright future is education. Chalice sponsorship is focused on giving children all the support they need to finish school – be that secondary, post-secondary, or vocational training.

## How does it work?

Sponsored children each have unique experiences of poverty, depending on their community and family circumstances. That's why our sponsorship model gives financial decision-making power to the people who know what the child needs best: their parents and guardians. Empowered with training and supported by staff, the parents get to choose how to spend or save your sponsorship funds. They know what to do: they educate their children and uplift their whole family. Their local Chalice sponsor site also supports the families with other building-blocks for success, including nutrition, community infrastructure, skills development, healthcare, water, sustainable agriculture, and small-business development.

You will receive correspondence from your child every year, and you can write to your child at any time.

## Being an informed donor

Chalice has an [A rating with Charity Intelligence](#) and ranked in the [Charity Intelligence Top 100 charities.](#)

For every dollar donated, after overhead costs of fundraising and administration, Chalice commits more than 90% of its spending in support of programs.

You will get a charitable tax receipt for the full amount of your sponsorship.

## How to sponsor today

Chalice volunteers are stationed at a table where there are information pamphlets about real, specific children who need sponsors now.

Everyone is encouraged to visit the table and discern a call to sponsorship. Our volunteers will be able to answer your questions and assist you to sponsor one of these children today.
