**WORLD DAY FOR GRANDPARENTS  
 AND THE ELDERLY**

“On this Fourth World Day devoted to them, let us show our tender love for the grandparents and the elderly members of our families. Let us spend time with those who are disheartened and no longer hope in the possibility of a different future. In place of the self-centred attitude that leads to loneliness and abandonment, let us instead show the open heart and the joyful face of men and women who have the courage to say “I will not abandon you”, and to set out on a different path.” – *Pope Francis*.
